# ¿What information should be recorded?

By *admin*
Created *04/07/2013 - 1:21pm*

The minimum information to be recorded is specified in the data set (20 items) required by WHO, it is available in http://www.who.int/ictrp/network/trds/es/index.html. [1]

The additional information requested by RPCEC serves specific purposes of registration. For further information, see page RPCEC trial registration Data Set [2]
